Overall Reflection and Next Steps

Please complete the following section. **NOTE:** *the content you include below is for your reflective purposes only; it will not be graded or scored.*

1. Describe two to three main takeaways from the content and/or scenarios included in this module.
2. Select one of the Domains as a focus for learning in the next month or two; list one or two learning activities you can undertake to meet the competencies in this domain. (TIP: For efficiency, consider using this as a learning goal for your Continuing Competence Program Learning Plan as well.)
