

## Video guides for the T2201 Disability Tax Credit application

You may be aware that Practitioners have been inundated with patients asking for the Disability Tax Credit so they may apply for the Canada Disability Benefit.

Here are videos to help Medical Practitioners complete the faster digital Disability Tax Credit application:

- [Video: New Digital Application form for the Disability Tax Credit \(DTC\) for Medical Practitioners](#)
- [Video: New digital application form for the disability tax credit \(DTC\): For applicants](#)
- [Video: Persons with Disabilities](#) – Learn about benefits and credits available to persons with disabilities.

Occupational Therapists may certify the effects of impairments in walking, feeding and dressing. The new Canada Disability Benefit can be confusing and stressful for vulnerable individuals. There are two steps:

1. Apply for the [Disability tax credit form \(DTC\) - Canada.ca](#)
2. Apply for the [Canada Disability Benefit - Canada.ca](#)

CRA's Community Outreach and Support Division's mandate is to increase vulnerable individuals' awareness of, and access to, the benefits and credits to which they are entitled. They also provide the following services: Information sessions, handouts for communities and training videos. For more information about Outreach Division, go to [How outreach officers can help your community learn about tax and benefits – Canada.ca](#) or reach out to Judy Wild at [OUTREACHSAB@cra-arc.gc.ca](mailto:OUTREACHSAB@cra-arc.gc.ca) or 1-866-837-1531.
